Wanted! Parts for an Austin Kimberley

Bob McLennan from Griffith, NSW, contacted the BMC-Leyland Car Club recently, hoping to obtain spare parts for an Austin Kimberley he is restoring.

Bob's number is 0428 410 846 if you can help him.

President's report, March 2025

Dear members,

It was great to see a wide range of vehicles at the club's inaugural breakfast run at Rob's British Butchers in Dandenong last month.

Black and white pudding, haggis, bacon and eggs and sausages were just some of the items on the menu, as members caught up and enjoyed a delicious feast in the main street of Dandenong.

Thanks to Jo and Kel Hawkesworth who organised the run, and for those who made the effort to rise earlier than usual to take part. A full report on the run can be found in this edition of The Wobble Knockers.

The club has a series of runs in the coming months across metropolitan Melbourne and country Victoria. Locations include Gisborne, Southbank and Williamstown, the Mornington Peninsula and Cranbourne and Inverloch. The club will also host a three-day, two-night trip to RACV's Goldfields Resort at Creswick in October. See the details in this edition.

Please enjoy the Easter period and if you are out and about in your classic over the Anzac or Easter long weekends, drive safely!

Vale Jill Millsum

On a sad note, it is with sincere regret that I share news of the passing of Jill Millsum, wife of Clive, late of Cranbourne, after a short illness on March 28.

Jill and Clive joined the club in August 2014, the year the club was established. Jill was a regular attendee on club runs, most recently attending a BMC-Leyland Car Club event in late 2024. They would often attend runs in their green 1968 MG Midget.

On behalf of the club, I would like to offer my deepest condolences to Clive and his family following the passing of Jill.

I will personally miss seeing her friendly face and catching up with her at club events, as I'm sure many of you will.

Vale Jill Millsum.

Bennett Jaguar finds a new home

I was recently contacted by Yvonne Bennett, the wife of the late Alan Bennett, who advertised their 1966 S-type Jaguar, powered by a 3.4-litre, for sale in the March Wobble Knockers.

In a pleasing development, I'm thrilled to share that the car will remain in our club after it was purchased by Murray and Christine Johnson of Raymond Island. Murray and Christine visited Yvonne on the same day after Rob's British Butcher run at Dandenong last month.

Yvonne, who joined the club 10 years ago this month, has indicated she will not renew her membership in June, but wanted to share a farewell message to members below.

Having just sold my late husband Alan's 1966 S-Type Jaguar to other club members, the 10-year membership of BMC-Leyland Car Club that we enjoyed has now come to a close.

Alan's love of classic cars spanned several marques, particularly during his retirement - S-Type Jags, the Triumph Stag, an Alpha Romeo GTV and an old Mazda, but the last Jag was the one that gave him the most pleasure, keeping him active during his final months.

From the very beginning we both felt we were fortunate to have found a car club in BMC-Leyland that engendered within its membership the camaraderie a love of classic cars could bring - it was more about the enjoyment of driving the cars and less about whose car was worth the most or had the most money spent on it - what Alan considered the snobbery behind classic car ownership which is entrenched in some car clubs.

Perhaps that is why the club has steadily increased numbers and held onto its members - friendship born from a love of old cars.

I wish the club continued success and fun motoring for you all.

Kind regards

Yvonne Bennett

On behalf of the club, I wish Yvonne all the best with her future endeavours and would love to welcome her on a run or at a club event in the future.

Christine and Murray said they were thrilled to be the new custodians of Alan and Yvonne's Jaguar.

"We have bought the Jag mainly to give us a reliable and comfortable British classic car to drive down the highway for the club runs instead of trailering our Austin," Christine said. "Of course, I'm sure it will get plenty of use down our way too."

"We are looking forward to many hours of happy motoring and would also like to thank BMC-Leyland Car Club CPS officer Terry Sawyer for assisting with this."

Membership fee proposal - reminder from March

For the first time since the club was established in 2014, a modest membership fee increase will be proposed to the club's members at the annual general meeting on 19 July.

The committee will propose a \$10 increase to annual memberships. If adopted, it means the cost of a single membership will increase from \$30 to \$40 and family memberships from \$40 to \$50. This will help the club raise an additional \$1800 a year.

The committee is committed to reinvesting funds raised through memberships back into its stakeholders - our members. This includes subsidising future runs, trophies for our annual show and shine, and venue hire fees for the AGM and Christmas lunch.

Importantly, these funds will also be used to protect the club and its members through three insurance policies that include public and products liability, associations liability and personal accident insurance.

From July 2025, the club will also become a member of the Association of Motoring Clubs, which supports and represents the likes of our club and drivers of classic vehicles.

If accepted by the members, the new cost of membership will come into effect in 2026/27, meaning membership fees will be unchanged for the 2025/26 financial year.

New members

In closing, as of 2 April, the BMC-Leyland Car Club has 182 memberships, including 270 members, plus 176 cars on VicRoads' Club Permit Scheme.

The club has welcomed four new members in the last month - Andrew and Margaret Read from Wurruk and James Paulusz and Adelle Djohan from Hastings. Their profiles can be found in this edition of The Wobble Knockers.

Welcome our new members

Andrew and Margaret Read - Wurruk

Andrew and Margaret Read have recently joined the club, adding to the list of clubs the pair belong to, including the Morris Car Club of Victoria, where Andrew served as a former website administrator.

The Reads have 10 cars under the BMC-Leyland marque, ranging from 1936 to 1973, with several vehicles on full or club rego, and a handful of unregistered restorations underway.

Their collection includes a 1936 Morris 25, a restored 1946 Morris Eight ute, a 1946 Wolseley 14/60, a 1961 Wolseley 24/80, an Austin A40 Farina - used mainly as a daily driver on full registration - two Morris 1500s and a 1973 Leyland Marina Six.

By day, Andrew works as a meteorologist and lectures in weather for the Royal Australian Air Force, teaching student pilots how to read the weather in the sky.

Andrew is also a regular guest on BMC-Leyland Car Club president Bryce Eishold's weekly radio program on Gippsland FM, where the pair talk about weather in detail. The car club is regularly discussed during the segment.

Andrew and Margaret, who live near Sale in Gippsland, are also members of the Wolseley Car Club.

James Paulusz and Adelle Djohan - Hastings

James Paulusz and his partner Adelle Djohan joined the BMC-Leyland Car Club in March after hearing about the broad range of events the club holds each year.

"I know a couple of people who are in the club, including Rick and Kay Smith and Paul Buck," James said.

"I was in the Victorian Mini Club with Paul Buck, and am still part of that club, but I'd heard about the run to Dandenong in March and thought I'd give it a go and get one of my cars out.

"I'm not one to travel large distances in the old cars, so the run in the south-east of Melbourne suited me really well."

James and Adelle own a handful of cars, including a 1978 LS Mini and a 1970 Mini K, originally owned by his grandfather, then his father and passed onto James as the third generation after his father's death four years ago.

"I also have a 1966 Mini van project - I'm just looking at it at the moment - but I hope to restore it one day so I'm working hard to gather and source pieces for the resto," James said.

"I love the social aspect of this club.

"I'm not into racing, which some clubs are into; I'm more into the casual catch-up, going for a drive and grabbing a coffee, and it seems this club does a lot of that."

James Paulusz (right) with his late father Michael and the Minis the father and son duo restored.

Could our youngest member, Miller, be a future Club President?

Watch this space ...

Here's a photo of our youngest active member, Miller, receiving his name badge from Paul Buck on the recent Healesville run.

Miller is Rod Kirby's grandson and has been on many runs over the past couple of years in Rod's Mini van.

We are not sure of his wider interest in cars, but he definitely enjoys the ensuing feed at the end of the day (the boy can eat!).

Miller also holds his own in the banter around the table with other club members ...

This will possibly foster a lifelong interest in cars and should be encouraged by all members – your adult kids and your grandkids are always welcome to come along on our runs!

Run report: Big British Breakfast in Dandenong

Jo Hawkesworth reports ...

We had been expecting a very warm day, but we received a perfect morning for the 8:30am breakfast at Rob's English Butchers in Dandenong. The 15 BMC cars parked along Lonsdale Street, combined with Rob's memorabilia behind the cars, created a magnificent display. As it was the weekend before St Patrick's Day, this certainly added to the party atmosphere.

We breakfasted on a wide variety of delicacies ... from a basic sausage in bread to egg and bacon roll, to creating our own masterpieces with bacon, black and white pudding, sausage, baked beans and egg - all complemented with tomato and brown sauce.

The food was obviously good as some members collected more to take home!

After several hours of chatting and fellowship, six cars headed off for a seaside adventure at Mordialloc Pier. There was coffee or ice cream for those who wanted it, followed by a leisurely stroll to the end of the pier with more chatting. See images on following page.

What a fantastic Saturday morning we had! 25+ lovely people from the BMC- Leyland Car Club stopped in at Rob's for breakfast nice and early before making their way to Mordialloc!

It was brilliant to see such beautiful cars parked along Lonsdale Street in the heart of Dandenong! We can't wait until your next stop in at Rob's as you were all such a joy to serve and chat to!

Ladies' Day Out – new event for club members of the fair sex

Jo Hawkesworth reports ...

It was a perfect day for the club's inaugural ladies' day out. The Grand Prix was on, so Melbourne was buzzing. For once our day wasn't about cars but friendship and exploring Melbourne.

Norma May, Terry Johnstone, Sue Robinson, Jo Burton, Marion Stok, Kay Smith and Jo Hawkesworth started our day out at the Ian Potter Centre in Federation Square. There was certainly lots to explore and we all said it was a place to come back to so we could spend more time there.

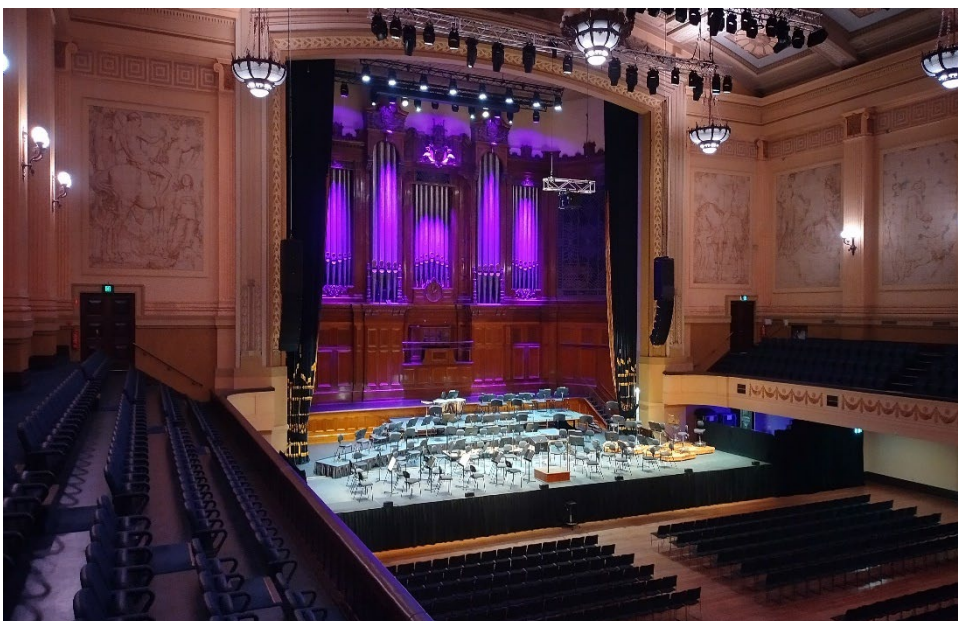

From there it was a short walk to the Melbourne Town Hall to meet our tour guide, Jim.

The town hall is full of history and the tour is limited to 10 people per tour, so you really get to have a close look and ask questions.

We visited the council chambers, the Queen's reception room and the auditorium, but I think the highlight was the portico where the Beatles stood, back in the 1960s. Anyone wishing to do a tour just needs to phone Melbourne City Council. And it's free!

Lunch was at the Magic Mountain Saloon where we spent another couple of hours chatting and laughing.

It was a great day, and we look forward to our next ladies' excursion and hope you can join us.

Editor's note: Being a lady (ahem) myself, I was disappointed not to be able to attend. I can't wait for the next one.

*Girls just
wanna have
fun!*
